Statement of Service Performance

Redwood Trust Incorporated For the year ended 31 March 2022

Entities Outcomes

The Redwood Trust is an incorporated society that exists for the purpose of raising funds and donating them to recognised charitable or amateur sporting organisations in the community. The entity owns gaming machines installed at a tavern in Marlborough, that manages the machines on their behalf.

Profits from these machines are utilised for authorised purposes, for distribution within the community.

Quantification of Outputs

Applied and distributed funds	2022	2021
Proceeds from Gaming Machines	\$987,803	\$1,044,909
Donations	\$432,934	\$378,721
Less Refunds	\$(44,275)	\$(31,317)
Net Donations:	\$388,659	\$347,404
Applied and distributed funds as a percentage of gross proceeds	43.83%	36.24%

The 40% distribution threshold was suspended for the 2021 financial year due to the effects on the industry of the Covid-19 pandemic. This has resulted in an increase in the grants awarded during the year.

Notes to the Financial Statements

Redwood Trust Incorporated For the year ended 31 March 2022

1. Statement of Accounting Policies

Basis of Preparation

The financial statements presented here are for the entity Redwood Trust Incorporated an Incorporated Society registered under the Incorporated Societies Act 1908.

Redwood Trust Incorporated has elected to apply Tier 3 PBE Accounting Standards : PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit), on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in the financial statements are reported using the accrual basis of accounting.

The accounting principles recognised as appropriate for the measurement and reporting of earnings and financial position on an historical cost basis have been used, with the exception of certain items for which specific accounting policies have been identified.

The financial statements are presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$, except when otherwise indicated.

The financial statements are prepared under the assumption that the entity will continue to operate in the foreseeable future.

Changes in Accounting Policies

There have been no changes in accounting policies. All policies have been applied on bases consistent with those used in previous years.

Revenue

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the entity and revenue can be reliably measured. Revenue shall be recorded on the occurrence of a recognition event. This is when there is a legal right to receive cash either now or sometime in the future. Revenue is measured at the fair value of the consideration received.

The following specific recognition criteria must be met before revenue is recognised:

- Interest revenue is recognised as it accrues, using the effective interest method.
- Gaming income is recognised on an accruals basis in accordance with the gaming machine electronic monitoring activity reports.

Donations

Donations payable are recognised as at the date the donations have been approved by Trustees at their monthly meeting.

Income Tax

The Redwood Trust Incorporated is exempt from income tax under section CW48 of the Income Tax Act 2007.

Going Concern

The Trust continues to adopt the Going Concern assumption in preparing the financial statements as the Trust has, in the opinion of the Trustees, adequate resources to continue operations in the foreseeable future.

To the Trustees of Redwood Trust Incorporated

Opinion

We have audited the performance report of Redwood Trust Incorporated (the Society) on pages 3 to 8, and 13 to 16, which comprises the entity information, the statement of service performance, the statement of financial performance and statement of cash flows for the year ended 31 March 2022, the statement of financial position as at 31 March 2022, and the statement of accounting policies and other explanatory information.

In our opinion:

- a) the reported outcomes and outputs, and quantification of the outputs to the extent practicable, in the statement of service performance are suitable; and
- b) the performance report on pages 3 to 8, and 13 to 16 presents fairly, in all material respects:
 - the entity information for the year ended 31 March 2022;
 - the service performance for the year ended 31 March 2022; and
 - the financial position of the Society as at 31 March 2022, and its financial performance, and cash flows for the year then ended

in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit).

Basis for Opinion

We conducted our audit of the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)), and of the entity information and statement of service performance in accordance with the International Standard on Assurance Engagements (New Zealand) ISAE (NZ) 3000 (Revised). Our responsibilities under these standards are further described in the *Auditor's Responsibilities for the Audit of the Performance Report* section of our report.

We are independent of the Society in accordance with Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other than in our capacity as auditor we have no relationship with, or interests in, the Society.

Information Other Than the Performance Report and Auditor's Report

The Trustees are responsible for the other information. The other information comprises the information included in the Schedule of Fixed Assets and Depreciation on pages 9 to 12, but does not include the performance report and our auditor's report thereon.

Our opinion on the performance report does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the performance report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the performance report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Trustees' Responsibilities for the Performance Report

The Trustees are responsible on behalf of the Society for:

- (a) Identifying outcomes and outputs, and quantifying the outputs to the extent practicable, that are relevant, reliable, comparable and understandable, to report in the statement of service performance;
- (b) The preparation and fair presentation of the performance report, which comprises:
 - the entity information;
 - the statement of service performance; and
 - the statement of financial performance, statement of financial position, statement of cash flows, statement of accounting policies and notes to the performance report

in accordance with Public Benefit Entity Simple Format Reporting – Accrual (Not-For-Profit) issued in New Zealand by the New Zealand Accounting Standards Board; and

- (c) For such internal control as the Trustees determine is necessary to enable the preparation of the performance report that is free from material misstatement, whether due to fraud or error.

In preparing the performance report, the Trustees are responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Society or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Performance Report

Our objectives are to obtain reasonable assurance about whether the performance report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of this performance report.

As part of an audit in accordance with ISAs (NZ) and ISAE (NZ) 3000 (Revised), we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the performance report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion, including performing procedures to obtain evidence about and evaluating whether the reported outcomes and outputs and quantification of the outputs to the extent practicable, are relevant, reliable, comparable and understandable. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of the use of the going concern basis of accounting by the Trustees and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the performance report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the performance report, including the disclosures, and whether the performance report represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Restriction on Use

This report is made solely to the Society's Trustees, as a body. Our audit has been undertaken so that we might state to the Society's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Society and the Society's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.
